***Selection Of The Recipient.***

In selecting the annual recipient of the scholarship, no single factor will be determinative. While an applicant's scholastic achievements will be considered, a strong emphasis will also be given to an applicant's participation in school and outside organizations and activities.

Applications will be reviewed by a committee appointed by the Mechanicsville Ruritan Club. The chairman of the committee will notify the recipient of his or her selection. The award will be presented at the baccalaureate service of the graduating class for Atlee High School. In addition, the recipient and his or her family will be recognized at a Mechanicsville Ruritan Club meeting.

In addition to selecting the recipient of the scholarship, an alternate will also be selected. In the event that the recipient declines the scholarship or otherwise fails to enroll in a BS or BA program in an accredited college or university in the United States within six months of his or her selection, the alternate will be awarded the scholarship provided that the alternate has otherwise satisfied the requirements for receipt of the scholarship.

***Payment Of The Scholarship.***

Within six months of the announcement of the scholarship recipient, the recipient shall provide the Mechanicsville Ruritan Club with substantiation of his or her acceptance to an accredited college or university. Thereafter, the Mechanicsville Ruritan Club will send the scholarship amount to the accredited college or university in payment towards the recipient's first year tuition.

***Interpretation And Administration.***

On all questions arising as to the interpretation and administration of the Mechanicsville Ruritan Club Scholarship, the decision of the Mechanicsville Ruritan Club shall be final.
